Soy, Flavored, "Italian Sausage" Crumble (IS104)

Bid Specifications:

SOY-ITALIAN "SAUSAGE" FLAVORED: Vegen, Kosher Soy Crumble, flavored like Italian Sausage. 25 lb Box = DRY storage. Just add water to rehydrated and use as needed. 1 year shelf life. Rehydrate approx 2 to 1, up to 3 to 1 depending upon recipe. National Food group item 607328 or approved equal.

Preparation and Additional Information:

Instructions for Preparation and Cooking:

To hydrate, add 1 part plant protein to 1.5 part water by weight and set aside for 15 minutes. Add the hydrated plant protein into your formula or recipe to partially or completely replace meat. The optimal level of hydration varies with the application.

YIELD: 1.5:1 UP TO 3:1 as prepared when hydrated.

TIPS:

- Do not re-hydrate with boiling water. The product hydrates best with warm water.
- Longer hydration will produce a better yield.
- Ideal to hydrate within the sauce/recipe so the soy absorbs as much flavor as possible
- Hydrate by weight, not by volume
- If you hydrate in a kettle, put in the plant protein at the same time as when you would the spices as you want to avoid scalding

Logistics Information:

Gross Weight: 26 lbs

Case Dimensions: X X

Pallet Count: 60

Double Stack: Yes

Block and Tier: 10 and 6
