Textured Vegetable Protein (soy flour, caramel color), soybean oil, salt, inactive yeast, spices, dextrose, onion, garlic, paprika

Allergen Statement:

Soy

Benefits and Suggested Use:

Flavored Soy is designed to look and taste just like taco "meat". Helps reduce the overall fat and cholesterol of your dish. Extends the yield of your beef. Soy is shelf stable and Kosher. No added cost of seasoning!

TIPS:

- Do not re-hydrate with boiling water. Product hydrates best with warm water.
- Longer hydration will produce a better yield.
- Ideal to re-hydrate within the sauce/recipe so the soy absorbs as much flavor as possible
- Re-hydrate by weight, not by volume
- If you re-hydrate in a kettle, put in the soy last (when you would the spices) as you want to avoid scalding the soy!

Product is Vegan.
